Dear Redhot Talent Agent,

Thank you for inquiring about Cadillac Dave & His Chicago Redhots. The band has worked hard to put together a show and business that understands what your are looking for. We will put on a show that suits your companies needs. We are a reularly touring band that primarily plays in the Midwest and abroad. The band likes to play to the audience rather than dictating what is to be heard. This is a skill that takes years to acquire and the Chicago Redhots are a classy, seasoned group of musicians that will fulfill your desired needs.

Once again, thank you for this opportunity and I look forward to working with you.

Kind regards,
